

Caring Personal Assistants

Support * Encourage * Independence

Providing high quality domiciliary and personal care and support in the Sheffield area since 2014.

For Clients...

If you're looking for a support team who respect your privacy and safeguard your dignity, then look no further than CPA. Whether you need assistance with personal care, food and medication, household duties or simply social and emotional support, we're here to help. You tell us what support best suits your needs, and we'll put a plan and a team in place to make it happen. We don't mean to brag, but in a recent survey, we were rated **'always'** by our Clients when asked if they receive **good quality care and support**.

For Job Seekers...

Are you looking for a new opportunity or a change in career direction? If yes, then the social care sector can be one of the most rewarding fields to work in. CPA has a fantastic team of professional, caring and committed staff. In this year's staff survey, over **98% rated CPA 'excellent'**. Our pay rates are higher than the average and that's because we believe in decent wages for a good day's work. Want to know more? We'd love to hear from you.

Signposting Services...

We've built a reputation within Sheffield for helping people find **support that is right for them**. It could be assistance with mobility transport, funding, payments administration or finance. If we can't help, then we generally know someone who can.

"In my experience, CPA has been instrumental in delivering quality care. They have an excellent knowledge of the people they support."
